

**In Singapore
Since 1987**

Japan, surrounded by sea, has an abundant supply of fresh seafood to feast on! Japanese traditionally believe that eating fish is good for one's health and brain.

As such, the traditional Japanese dish, **Sashimi** is well liked by many.

Pair your serving of Sashimi with a bottle of sake to complete the traditional Japanese dining experience!

We serve seasonal fresh fishes (Market Price) in salt-grilled, deep-fried or Nitsuke (braised). Just pick up a fish displayed in the chiller and let us know your table number.

Children cutlery & plates are also available. Wet towels are chargeable.
No outside food and drinks are allowed. Fish dishes (Sashimi, Grills etc) may contain bones.
Prices are subjected to service charge and GST.
